Payment is due by March 1st or the first appointment, whichever comes first. Any of the Wellness Plan services added to the Wellness Plan After March 1st will be charged at full price (including extra farm calls). This program is non-refundable by voluntary withdrawal. However, this program is transferable if the horse changes ownership. In case of death before program completion, the remainder of services due will be refunded. If dentistry is determined unnecessary at the time of examination, the portion prepaid for this service will roll-over to the following year's Wellness Plan. No other services can be rolled-over to the following year.
